PEPPER LANE PLAYERS IN FIRST STAGE APPEARANCE

YOUTHS WILL GIVE 2 PERFORMANCES IN UPLAND SCHOOL

First appearance here of the newly formed Pepper Lane Players is awaited today.

"Hours of Horrors", a three-act mystery comedy, will be presented Thursday and Friday nights in the Upland Elementary school auditorium. Included in the group of stage artists are Chaffey high school and junior college students who are eager to provide entertainment in the community and to obtain practical stage experience.

Miss Gretchen Lizer, Chaffey high school dramatics instructor, is advisor to the group.

UNIQUE GROUP

Unique is the organization in that there is no director, each member joining in a mutual effort to produce the best and to mutually analyze the rehearsals.

Cost of tickets is nominal, the organization's plan being to interest many people. An urgent appeal is made for the general public to attend.

CAST LISTED

In the cast of characters are the following: Crystal Relph, Dorothy Donnelley, William Simpson, Dorothy Murry, Ruth Stewart, Chester Chastaine, Earl Wing, Robert Walline, Jack Feeney, Miriam Settle and Harold Garten.

Members of the Pepper Lane Players expect to maintain a permanent organization and to present stage productions from time to time. All net proceeds from this week's plays will be maintained in a special fund for use in future productions.

Local Relatives To Greet Jack Detmers In Cleveland, Ohio

When Jack Detmers, California soap box derby champion, steps from an airplane at Cleveland, Ohio, on Aug. 7, he will be greeted by his mother, Mrs. Ernest Detmers; his grandmother, Mrs. Mary J. Harvey, and his cousins, Mr. and Mrs. Harvey Gallougher and infant daughter Carol, all of Upland.

Mr. and Mrs. Gallougher had planned some time ago to motor to Chicago for a new car. So when young Detmers won the coveted soap box derby championship in Los Angeles Saturday, entitling him to a free airplane ride to Akron, Ohio, to enter the national Chevrolet soap box race, his mother and grandmother immediately planned to accompany the Galloughers on the motor trip.

The party will leave Upland on Sunday and plan to be in Cleveland, Ohio, Thursday morning to greet Jack when his plane arrives there. They will go on to Akron for the national races on Sunday, Aug. 11.

Jack will return home by plane immediately after the races, while the motorists will visit various places in Illinois and Wisconsin, being away for one month.

Parkway on Avenue To Be Continuous Except One Block

Soon Euclid avenue parkway will be a continuous carpet of grass from the southern city limits to Foothill boulevard, with the exception of the parkway between Eighth street and the Santa Fe tracks.

The section will remain unplanted because of the Pacific Electric tracks. When and if tracks are removed, regrading will be necessary.

Underground sprinkler system was installed by a WPA project in the entire parkway between A street and the south city limits.

Grass is now sprouting in the parkway below Eighth street.

School Budget Hearings on Thursday; Public Invited to Discuss Outlays

Thursday night is school budget hearing nights.

In the Upland Elementary school auditorium and in the Chaffey junior college office, school board members will be present to discuss the budget with any and all interested taxpayers.

Cost of operating the Upland schools during 1940-41 is estimated at $80,780. Of this amount, $29,318 is to come from local taxes. Remainder of the total needed will come principally from the state sales tax.

Chaffey high school proposed expenditures for the year are $357,375. Chaffey junior college costs for the year are estimated at $215,500. Of the combined Chaffey high school and jaysee costs, $212,687 is to come from local taxpayers direct. The remainder will come from the state sales tax, tuition and from other sources.

Total "local" cost of maintaining Chaffey high school and junior college, the Upland schools, and the elementary schools in Alta Loma, Cucamonga and Etiwanda during 1940-41 is $235,513. This figure includes the amount necessary to be raised in local taxes for Chaffey and in each of the other elementary school districts in the Upland area.

The Upland board will meet at 7 p. m.; Chaffey at 7:30 p. m.

REPUBLICAN LEAD REMAINS IN CITY

Registration Figure Shows 327 More Republicans Than Democrats

Upland and Redlands remain the only two Republican towns in the county, following a release of registration figures by County Clerk Harry L. Allison.

San Bernardino, Ontario, Chino, Colton, Needles and Rialto show a Democratic plurality.

Republican registrations in Upland total 1,661, while there are 1,334 registered in the Democratic party. Total registration for the city is 3,199.

For the county as a whole the registration figure of 83,042 establishes an all-time record. Of this number, 48,036 are Democrats and 31,369 Republicans.

Floyd E. Metier, Claremont, was fined $100 on an intoxication charge in Judge Mildred R. Puckett's court today. He was arrested early this morning by Officer Ralph Palmer.

DEWEY HARNISH TO SPEAK AT DINNER

Local Architect Is To Address Legion and Auxiliary At Installation

Jay Dewey Harnish will tell of his trip to Mexico, speaking especially of the architecture of that country, at a joint installation dinner of the Upland post, American Legion, and of the Auxiliary, Tuesday, August 6, at the Red Hill Country club, it was announced today by Hjalmar Anderson, adjutant of the post.

Officers of the Auxiliary unit will be installed by Mrs. Earl E. Marsh, member of the unit and past department president.

Earl Marsh, installing officer for the San Bernardino county 40 and 8, and the 40 and 8 drill team will conduct the installation for the Legion post.

Mrs. Charles V. Benson will be returned to the office of Auxiliary president and Eric V. Rhenstrom will be seated as Legion commander, succeeding Harry Plum.

LEMONS CONTINUE STRONG IN EAST

Upland Fruit Brings Premium In Eastern Markets—Heat Continues

With Upland lemons selling for an especially good price in Cincinnati auction market yesterday and the heat wave continuing in the east, local growers are wearing smiles this week.

Heavy demand for lemons last week necessitated night shifts working from 6 until 9 p. m. at the Upland Lemon Growers association last Thursday and Friday.

There is no anticipation of crews returning for night work this week, however, inasmuch as the lemon house is keeping up with the supply of lemons that can be shipped under the present pro-rate.

Because of the heavy storage of lemons for this time of year, the current heat wave in the east creates a market which is beneficial to the lemon industry.

Sister in Scotland Head of Air Relief Writes of War Work

Last word received by Mrs. Norman S. Lawson, Wilson avenue, from her sister, who lived on the west coast of Scotland, tells of the first air raid warning there a little more than a month ago. No damage was done, however.

Mrs. A. R. Wilson, sister of Mrs. Lawson, is head of the women drivers of the A. R. P. (Air Relief Protection) in her town near Glasgow.

Letters to Mrs. Lawson speak of the determination in Britain to "stand by" and make every sacrifice to win in the struggle ahead.

BUILDING TOTAL FOR JULY DOUBLE MARK YEAR AGO

Four New Houses Started in Month—$14,988 Is Total Construction

Four new residences started here in July were a big factor in this city's $14,988 building total from July 1 up until noon today. This month's figure brought to $92,605 the construction total since Jan. 1.

In July of last year, the construction figure was $6,680, less than half of the mark for the current month. Total at this time in 1939 was $67,528.

Three of the new residences are in the Eppler tract on Campus avenue and the fourth new residence is on South Euclid avenue. In addition to these structures, two other dwellings are being remodeled to provide for more families.

Plans are out for additional houses.

CAL-AERO CADETS SEE UPLAND FIRST

New Enrollees From Kansas City Alight at Santa Fe Station Here

Eighteen Cal - Aero cadets alighted at the Upland Santa Fe station yesterday and another group is scheduled to arrive this evening.

Ten came in one train yesterday morning. Last night, a group of eight arrived. Being without instructions as where to go or what to do, they were sent to the Upland police station. There the Upland police called Sam Maxcy of Ontario, who came to Upland immediately and made the necessary arrangements for transportation to take the group into Glendale.

All cadets arriving yesterday are from the vicinity of Kansas City. All new enrollees in the pilot training school are being housed at Glendale until beds can be installed in the barracks at the new site south of Ontario. Sometime between Wednesday and Saturday the boys will be moved to the new location.

UPLANDER WINS SOUTHLAND DERBY; GOING BY AIR TO NATIONAL CONTEST

SOAP BOX RACER FROM HERE LEADS ALL IN SOUTHLAND

Four years he tried, and today Jack Detmers is the Southern California soap box derby champion. As the result of his persistence and his remarkable showing amid unusually keen competition Saturday the Uplander won the distinction of representing California at the national soap box derby in Akron, Ohio, Aug. 11.

On Aug. 7 he leaves by airplane for Akron as the guest of the Chevrolet Motor Co., national sponsors of the popular race. He will be guest of the company from then until he is returned by airplane soon after the national finals.

He is the son of Mr. and Mrs. E. A. Detmers, 744 First avenue.

LEADS ALL OTHERS

Time after time the Uplander entered the Los Angeles race. Profiting by each year's experience and becoming more determined than ever to win, the youthful engineer finally developed a racer that sped down the decline faster than any of the other 800 racers.

What he got for that fete was the free airplane trip to Akron, a large handsomely engraved trophy, a medal, a deluxe equipped bicycle and a helmet.

In Akron the winner gets a scholarship to any college of his choice or $2,000 in cash. Second and third awards are automobiles with other prizes given to winners of other places. About 130 winners of finals in all parts of the nation will compete for the national awards.

A gold watch will also be presented Detmers on his arrival in Akron.

26.4 SECONDS

The race was held on Stocker hill in Los Angeles. Young Detmer's car went over the 850-foot course in 26.4 seconds, the fastest speed ever made by any entrant since the derby was started. Since the cars race down hill, no engine is required. A ramp with a steep slope serves as the starting platform. At the signal, the cars are turned loose and the racer most streamline in design and of the most suitable weight wins.

Detmers and Ralph J. Wilson, Jr., won their heats in the preliminaries Thursday. While young Wilson failed to place in the finals, his record was regarded as outstanding. This was his first year in the Los Angeles race.

Detmers was required to race eight times Saturday. Elimination heats were held and in the

Jack Detmers had a mighty big smile after he won the Southern California soap box derby—and he still has it today, for he is going soon by airplane to Akron, Ohio, for the national soap box derby. He is the son of Mr. and Mrs. E. A. Detmers. He was entered in the Los Angeles derby by the Alan A. Couch Chevrolet agency here.

TWO UPLAND FAMILIES ASK FOR ENGLISH BOY AND GIRL

Two West End families are waiting hopefully today for word from England, notifying them that they will be permitted to care for English children for the duration of the war.

Through the wife of the British consul in Los Angeles, local families heard of two children in England—one a little girl, two years of age, and a little boy, 10 years of age.

The families interested in caring for the children have been in communication with officials in Washington, and have even cabled the mother of the children, but no definite word has been received to date.

Norton school in Claremont is negotiating for an assignment of from 8 to 30 English school boys to educate and to care for.

Two obstacles at present stand in the way of the Norton school arrangements, and it is expected that these problems may be solved to permit the sending of school boys here.

Currency exchange is the first problem. At the present time, an English citizen is permitted to take only 10 pounds out of the country in order to conserve American dollar exchange.

Second problem is the shortage of ships to bring children to this country.

Other Upland residents who might be interested in sharing their homes with English refugee children may communicate with Mrs. Leisa Bronson of Claremont, who has been conferring with the Pasadena chapter of the U. S. Committee for Care of European Children.

Anyone who wishes to provide a home or to finance a child's passage to this country should start immediately to make necessary applications, says Mrs. Bronson. Arriving in Canada last week were 4,000 children.

State agencies handling adoption of children in California will supervise the placement.

WHY CITY NEEDS FULL-TIME MAN AS SECRETARY CITED

Chamber of Commerce President Tells Reasons for Increased Work

By Fred E. Draper, President, Upland Chamber of Commerce

In last Friday's edition of The Upland News the paper quoted from a statement made by me at the Lions club meeting. I stated that Upland needed a full time chamber of commerce secretary. Since that article appeared, several persons have asked why. To those and others who may have the same question in mind, I would answer that I do not believe that any busy business man can afford to take time from his business to attend to the many important meetings that are continually being held for the discussion of matters concerning the city.

TELLS OF MEETINGS

Some six weeks ago Ellery Wright and myself attended a "National Defense" meeting at the call of the Los Angeles chamber of commerce. There we learned to what extent the national government looked to the various chambers of commerce in contacting the right men to fill various local positions and in obtaining necessary information concerning buildings which could be used for factories and warehouses and sites for factory buildings.

On July 24 I attended a meeting of the San Bernardino County chamber of commerce, where it was explained that by locating industries in this county we would tend to reduce the tax rate by:

1. Lessening the relief load by furnishing employment for our unemployed.
2. By broadening the tax base with additional investment.

NOT REPRESENTED

At this meeting I also learned that we had not been represented at many important meetings which had already been held and for this reason we were not even aware of matters that might have helped us to recover a portion of our part of the cost of the national defense program. I was also informed of the many calls that

Next Month Dogs Here Must Look Out For Catcher

"Here comes the dog catcher", will be an appropriate tune next month when the Upland police department begins its annual check of dogs without licenses.

To date 430 dog owners have paid licenses due July 1. There are still 150 dogs at large without license tags, according to an estimate by the local police.

A careful check of the dog population is kept by the local police.

In fact, the police have notified all dog owners that licenses are due. Beginning August 1, patrolmen will call on owners who have not yet paid license fees. Owners will be given opportunity to pay, or make arrangements to pay the fee. If they refuse, however, they will be cited into court. Only as a last resort will the dog catcher actually catch the dog and dispose of it.

Last year 491 dog owners paid license fees, and 134 dogs were disposed of.

CITY'S TAX RATE MAY REMAIN $1.10

Council Scheduled to Adopt New Budget Thursday Night

No increase in the city tax rate.

That was the indication today after the city councilmen had individually studied the proposed 1940-41 budget preparatory to its adoption on Thursday night. The rate of $1.10 for each $100 of assessed valuation will be maintained if at all possible, according to officials.

Salary schedule of the new budget has been adopted and the finance committee of the council has approved all the budget. On this committee are Councilmen A. H. Johnson, Gene Nisbet and Perry O. Long. Mayor D. J. Cameron and Councilman Godfrey Andreas were given copies of the budget two weeks ago for perusal prior to the scheduled adoption of the financial program Thursday night.

Expenses for the year may be higher than for the period just closed but the water department may contribute a larger amount than formerly to the city's general funds.

HOUSING PROGRAM DETAILS DEFINED FOR CIVIC GROUP

Mayor Calls Special Meeting Of Citizens To Hear Officials

At a special meeting of a group of citizens called by Mayor D. J. Cameron last night in the city hall, information regarding the proposed housing authority for the city of Upland was presented by George P. Tucker, public relations representative of the Los Angeles city authority, and by Frank Rose, attorney from the Regional office of the United States Housing Authority located in San Francisco.

Clarifying many points which had confused representatives of local banks, citrus interests and city officials, and others interested in the rehousing program, the speakers explained aspects of the law and of the financing of the projects.

LOANED BY U. S.

It is never possible for a housing project to become a lien against the city, the U. S. H. A. attorney explained. Ninety per cent of the money to finance a project is loaned by the U. S. H. A. The other ten per cent is obtained from private sources. Revenue bonds covering the ten per cent loan are retired first. Government subsidy, furnished so that the low income groups can live in homes with adequate space and sanitation goes toward repayment of the indebtedness, thus assuring the holders of the securities that they will be able to get back their money.

The fact that housing bonds are purchased by investors as soon as offered indicates the desirability of the securities, it is pointed out.

NEED IS STRESSED

R. G. Manley, city manager, stressed the importance of improving the city by replacing shacks with adequate houses.

Joe Valdez expressed the necessity of keeping rents within the limits of tenants of a project, stating that in his opinion $10 a month, including utilities, would be all that the average tenant could pay.

Attorney E. E. Gray presided. The housing commission will be appointed soon.

Support the "Pepper Lane Players"

Do you believe in supporting young people when they are seeking to do something for themselves and for the community?

If so, a real opportunity comes Thursday and Friday nights of this week when the "Pepper Lane Players" appear in their first production. Public support of this enterprise is vital.

Members of the "Pepper Lane Players" are Chaffey high school and junior college students. They saw an opportunity during their idle summer months to be active in a constructive project. Their motive certainly deserves plaudits. Their enthusiasm is an inspiration.

The young people are sincere and earnest in seeking to give the community good entertainment and at the same time to gain valuable experience on the stage.

Finances are a minor consideration in this project. Only a small charge is being made for admission to the "House of Horrors" to be presented in the Upland Elementary school auditorium. Some generous individual provided $100 to get the organization started.

Public support, however, is an important consideration. Modern day youth causes some people to talk. In this instance, the initiative and determination of a group of young people should inspire many expressions of commendation.

Cal-Aero Job Real Credit

Something of a construction record has been established in the uninterrupted building of the Cal-Aero corporation flying school facilities.

Only a few weeks ago the field was covered with crops. Today there are rows of barracks and hangars and other buildings to be used in the training of many army cadets. That $200,000 worth of improvements were erected within such a short time seems almost unbelievable. This construction record should attract the attention of industrial leaders; they should think very kindly of this district when planning expansions.

Union pickets were on the job, but in spite of their signs "Unfair to Organized Labor", the huge project went speedily ahead as a credit to the employers, to the employes, and to the community.

Incidentally, many Upland workmen were employed in the work.

When the orders were given a short time ago to "go ahead", people in the community got busy. The community delivered right on schedule.

Miss Beattie Honored Guest at Bridal Shower

Miss Dorothy Jean Beattie, daughter of Mr. and Mrs. W. K. Beattie of 491 East Ninth street, was extended a pre-nuptial courtesy Friday evening, when Mrs. William A. Smith of 262 East Eleventh street; Miss Margaret Hill of Laguna and Berkeley, and Miss Virginia Reeder of Rosemead entertained in her honor with a party and miscellaneous bridal gift shower.

Miss Beattie and Allan Palmer, son of Mr. and Mrs. Frank F. Palmer of Ontario, are to be married in August.

The party, a surprise for the honor guest, was held at Mrs. Smith's home. Bouquets of primroses, blue larkspur and carnations, arranged with baby breath, provided the decoration.

The early part of the evening was spent in playing Monte Carlo and Twist, a new and very amusing game, with prizes going to Miss Gladys Anderson, first; Mrs. Gray Kettering, second, and Miss Betty Anderson, consolation.

Refreshments were served buffet style, the table being centered with a large imitation wedding cake, each tier being circled with white candles.

The gifts were presented to Miss Beattie when she was directed to a huge pink and white umbrella, inverted and tilted sufficiently to exhibit the many colorfully wrapped articles. Miss Beattie opened the parcels and spent some time in displaying the very acceptable gifts.

Present for the party, besides Miss Beattie, were Mrs. W. K. Beattie, Mrs. Willetts Hole of La Habra, sister of Miss Beattie; Mrs. Gray Kettering of Colton, Miss Louise Smith of Ontario, Miss Edith Hill of Laguna and Berkeley, Miss Jane Reader of Rosemead, the Misses Betty and Gladys Anderson, Miss Bonney Linsley, Miss Marie Standlea, and the three hostesses.

Those invited but unable to attend, were Mrs. Frank F. Palmer, Miss Betty Palmer and Mrs. Fletcher Palmer of Ontario; Miss Winifred O'Brien and Miss Irma Dinger.

Mrs. Ruth I. Reed of Upland Is Bride Of Dr. Gidley

Mrs. Ruth I. Reed, daughter of Mrs. Donald E. Hill of North Benson avenue, and Dr. Donald S. Gidley of Ontario, were united in marriage Friday afternoon at the home of Dr. Gidley's brother-in-law and sister, Mr. and Mrs. Samuel Block, in Compton.

The ceremony, marked by its simplicity, was performed in the Block garden at 4 o'clock, with Dr. Charles L. Knight, pastor of Bethel Congregational church in Ontario, officiating. Only immediate relatives were present for the nuptial occasion.

Immediately following the ceremony Mrs. Block served a buffet wedding collation. She employed an all white motif in her house decorations, gladioli, stock and asters being used.

Traveling by motor, Dr. and Mrs. Gidley left at once for Yosemite valley. They will reside at 416 Monterey avenue, Ontario.

Rebekahs Favored by Presence of Mrs. Everett Liles

Preceded by a contributed dish dinner, a regular meeting of Silver Link Rebekah lodge was held Friday evening at the lodge hall in the I. O. O. F. building, with an unusually large number of members in attendance. There also were a number of visitors present from the Rebekah lodges in Claremont and Ontario.

Mrs. Mabel Walker, the recently elected noble grand, and her staff of officers were in charge.

The meeting was featured by the presence of the new district deputy president, Mrs. Everett Liles of Claremont, who spent some time in giving instruction to the new officers.

At the conclusion of the lodge meeting the members and their guests enjoyed an informal social hour, visiting and discussing lodge affairs.

Notes of Society

War Refugee Benefit Occasion Provides Gratifying Sum

West End unit of the Citrus Valley British War Relief association has $20.50 to use in purchasing yarn and other materials, as the result of the benefit dessert bridge held on a recent day.

Mrs. Edw. E. Gray opened her home, 854 North Euclid avenue, for the benefit event, which was sponsored by the West End unit, and several committees were in charge of arrangements for the dessert course, the card games, etc.

Hostesses assisting Mrs. Gray in entertaining were Mrs. Geo. S. B. Ferguson, Mrs. Don E. Palmer, Mrs. Philip B. White and Miss Hannah Comly.

Baskets of single asters in pastel shades were used in the house decorations and the bridge tables, at which the dessert course was served, were graced with small pottery jars holding blooming asters.

Mrs. Ferguson spoke briefly explaining the nature of the war relief work being done, how the supplies are collected and shipped to England on British ships and emphasizing the necessity of the work, which supplements that being done by larger organizations.

The money secured by the benefit events, of which a series will be given, is used to purchase yarn and other materials for knitting and sewing garments for war refugees in England.

The organization also gathers wearable used clothing to be shipped to England.

Twelve tables of bridge were made up and an animated tourney was enjoyed. Since war relief work was the theme of the party, the score prizes awarded, very appropriately, were skeins of yarn, furnished by the knitting committee, with instructions for knitting knee protectors. And as an advance reward for the knitting, the prize winners were presented with the potted asters.

During the party the yarn on hand was distributed to a number of knitters.

Marilyn McIntosh Is Given Party on Birthday

To celebrate the fourth anniversary of the birth of her small daughter, Marilyn, Mrs. Paul McIntosh entertained Friday with a merry birthday party for a number of Marilyn's playmates. The party was given at the home of Mr. and Mrs. McIntosh, 711 East Ninth street.

A color motif of pink, white and blue was used in the house decorations and was repeated in the arrangement for the table at which refreshments thoroughly approved by the youthful guests were served.

During the afternoon the children played merrily while their mothers visted. Marilyn was presented with a number of nice gifts.

Accompanied by their mothers, the children participating in the party, besides Marilyn, were Carol Anne Washburn, Paula Goodrich, Mary Vere Cavers, Richard Francisco, Darrell Luthy and Tommy Beard. Others enjoying the party were Marilyn's grandmothers, Mrs. W. E. Walk and Mrs. Clara Tilden.

Wesleyan Bible Class Enjoys Meeting at Shroyer Home

Meeting at Miss Elvina J. Shroyer's home on Twenty-fifth street, San Antonio Heights, members of the Wesleyan Bible class of the Methodist church enjoyed a very pleasant social gathering Friday.

Mrs. C. E. Allen, president of the class, and a committee that included Mrs. W. B. Sage, Mrs. C. S. Kelley, Mrs. Stacy Haines and Mrs. T. I. LaPlant, were in charge of arrangements for the day.

At the noon hour a contributed dish luncheon was served, a number of the tables being set on the wide, shaded porch.

After the luncheon, community singing led by Mrs. Louise Wilson, was enjoyed and the Rev. Joshua Bacon conducted the devotional service.

With Mrs. Allen presiding, a short business session was held and some time was spent in discussing plans for increased class activities.

The remainder of the afternoon was spent socially, some playing Chinese checkers, others being employed with their needlework, and all enjoying the very fine view of the mountains and the entire valley that is obtained from Miss Shroyer's home.

Having the pleasure of attending the meeting were the Rev. and Mrs. Bacon, Mr. and Mrs. W. F. Goodban, Mrs. Alfred Schneider, Mrs. William Littlewood, Mrs. Etta Johnston, Mrs. Mary Waterman, Mrs. C. H. Alvord, Mrs. J. V. Benson, Mrs. Geo. R. Crane, Mrs. Henry Livermore, Mrs. D. C. Sutton, Mrs. Luella Genung, Mrs. Louise Wilson, Mrs. S. E. Couch, Mrs. Mary Cadnum, Mrs. E. A. Cooley, Mrs. L. E. Kelley, Mrs. Stacy Haines and Mrs. T. I. LaPlant.

Pre-Nuptial Courtesy Held Last Evening For Miss Bowen

Miss Betty Bowen, fiancee of Howard Shattuck, Jr., of Ontario, was complimented last evening by a number of her friends when Mrs. Allison F. Shaw (Jean Mehl) and Mrs. Robert Thrall (Nellie Carter) entertained with a party and kitchen gift shower.

The guests gathered at Miss Bowen's home, 565 North Euclid avenue, for the party and the early part of the evening was spent in making yellow and blue linen servettes for the bride-to-be.

Miss Bowen has selected yellow and blue as the colors for the furnishings of the kitchen of her new home and she was presented with kitchen gifts in those colors.

Refreshments were served by the hostesses.

Present for the party, besides Miss Bowen, were Mrs. William Hoyt, Miss Natalie Barton, Miss Ruth Hargrave of Ontario; Miss Shirley Shepherd and Miss Lois Jones of Etiwanda; Miss Mary Ann Frampton of Pomona, Miss Marilyn Schowalter, Miss Anieta Rohrig, Miss Eileen Greear, Miss Mary Harnly, Miss Velma Wright, Mrs. Shaw and Mrs. Thrall.

Miss Bowen and Mr. Shattuck are to be married in August.

ACCIDENT VICTIMS IN SERIOUS STATE

Little Hope for Recovery of Jewel Coleman and William Sisson

Little hope was held today for the recovery of Miss Jewel Coleman, injured in an automobile accident last Thursday morning. She is in the General hospital in Los Angeles, suffering from a brain injury and abrasions. Miss Coleman was employed as housekeeper for Mr. and Mrs. Brooks Riggs, Eighth street and Euclid avenue.

Also injured in the accident, but said to have a slim chance to survive is William Sisson, brother-in-law of Harvey Aday, who operates a shoe shining parlor in Perry Long's barber shop.

Sisson is still in the Pomona Valley Community hospital, and is suffering from a skull fracture, a caved-in chest and other injuries. He has not regained consciousness. However, he has successfully combatted pneumonia which set in.

The accident occurred early Thursday morning at the intersection of Garey avenue and Foothill boulevard, when two cars collided. Occupants of the other car were not seriously injured.

Registration of Trees Asked Soon By Commissioner

County Agricultural Commissioner J. P. Coy at San Bernardino issued an appeal today to orchardists in this section to comply with the law, providing for registration of fruit and nut trees in orchards of an acre or more.

Commenting on the law, George P. Weldon, Chaffey pomologist, states, "accurate statistics on the planting of all varieties will mean much to growers and to everyone else interested in the fruit industry, as future plantings, when acreage is known, will be governed by knowledge of what we have at present."

Forms have been distributed to growers through packing houses. Growers are requested to fill out forms as soon as possible and return to the agricultural inspector at 230 East Ninth street, Upland.

MRS. HOWARTON IS NATIONAL DELEGATE

Mrs. Thos. E. Howarton, 1695 North Mountain avenue, is to attend the national convention of the American Legion Woman's Auxiliary, to be held in Boston during the second week in September, as the official delegate from the Twenty-fifth district.

Her election as a delegate occurred Friday during the Legion Auxiliary district meeting and pre-convention caucus held at Alpine lodge, Lake Arrowhead, with the Rim of the World unit being hostess.

As a member of the national executive committee of the Sons of American Legion, Mr. Howarton also will attend the convention in Boston.

The Upland unit, as an organization, also won special honors, receiving a national citation for obtaining its membership quota before Jan. 1, 1940, and being awarded the Howarton trophy for being the first unit in the district to gain its quota.

The Rim of the World unit at Lake Arrowhead was awarded the Howarton trophy for making the largest percentage gain in membership. The two trophies were offered by Mrs. Howarton.

OFFICERS ELECTED

Mrs. Harold Lineau, retiring president, conducted the meeting and in the election Mrs. E. L. Crooke of Colton was named president and Mrs. Robert P. Turner of Victorville, vice-president.

In selecting those to serve on committees assigned to the district at the department convention, the delegates named Mrs. Earl E. Marsh of the Upland unit and past department president, to the constitution and bylaws committee, and Mrs. Howarton to the finance committee.

GUESTS HONORED

Mrs. J. Hathaway Wright, department president; Mrs. Joseph Forster, state membership chairman, and Mrs. Marjorie Danielson, state child welfare chairman, were honored guests at the meeting and they were presented by Mrs. Howarton, distinguished guests chairman.

Attending from the Upland unit were Mrs. Charles V. Benson, president; Mrs. Thos. E. Howarton, Mrs. Clara Jacobs, Mrs. W. J. Larkin, Mrs. I. J. Linkey and Miss Elizabeth Fossett.

Ticket Holders for Allied Arts Series Must Act by Aug. 1

August 1 marks the final date for 1939-40 subscribers to the Chaffey Allied Arts series to renew their seats for the coming course, according to an announcement made today. After that date all locations will be available to both new and old patrons of the series.

Arrangements for holding seats until October 1 upon the receipt of a small deposit are being made through the Chaffey auditorium box office during the summer. Opening with a performance of Sherwood Anderson's "The Petrified Forest" by Eighteen Actors, Incorporated, Nov. 7, the series this year includes five events.

"RAW" RECRUITS LEARNING ROPES

Eighty-four new boys arrived at Cucamonga CCC camp last week, swelling the enrollment to 195. This is only two under the capacity for the camp, which is 197.

All of the new enrollees are from Los Angeles and only eight have had experience in a CCC camp before.

Eighteen from the local camp went to the Lake Arrowhead district last week to assist in fighting forest fire.

A soil conservation camp, the boys are engaged in preventing wind and water erosion on private ranches within a radius of 25 miles.

Mr. and Mrs. Roger White and Mrs. White's mother, Mrs. George Brewster, all of Los Angeles, were week-end guests of Mr. and Mrs. G. Vernon Sleuman, Mrs. Winnie McCullough and Mr. and Mrs. F. E. O'Brien. Mrs. McCullough accompanied them to Los Angeles for a week's visit.

"Hey, what time is it by your watch?"

"Quarter to."

"Quarter to what?"

"I don't know—times got so bad I had to lay off one of the hands."

..BIRTHS..

Mr. and Mrs. Richard A. Ibanez, 790 North Second avenue, are receiving congratulations over the arrival of a son, Richard Keatinge, who was welcomed at the San Antonio Community hospital last Sunday afternoon at 3:30 o'clock. Both mother and baby are doing nicely. The baby weighed 7 pounds, 2 ounces.

Mr. and Mrs. Theo Davis, 729 Fifth avenue, are the parents of a son, born today at 12:40 a. m., at the San Antonio Community hospital.

Mr. and Mrs. Ray Lewis, 385 Center street, Chino, announce the birth of a daughter yesterday at 2:49 a. m. at the local hospital.

STRESS VALUE OF FIRE PREVENTION

Importance of "closed areas" in our national forests was forcefully demonstrated today noon at the meeting of the Upland Rotary club at Red Hill Country club, when Chief of Police E. C. Mehl was program chairman and Isaac Bays, district forest manager in the territory from San Antonio canyon and Cajon Pass, and John L. Lufkin, ranger in this vicinity, gave short talks on their work. These gentlemen, assisted by E. Tweed Stone and Judge Fred Jacobs, dramatized a common case of trespassing in closed areas, giving the usual conversation that follows after an offender has been found in forbidden territory.

In sentencing the offender, Judge Jacobs stressed the importance of protecting our water supply through fire prevention of forest fires — and "soaked" the trespasser $100. Greatest source of trouble, said Mr. Lufkin, is in Cucamonga canyon, where 23 trespassers were arrested last year and where 14 have been apprehended thus far this season.

RALPH RING WILL FACE BIG INDIAN

Pick of Fighters Matched for Ontario Legion Battle Tonight

Ralph Ring, Pomona heavyweight, whose pugilistic winning form is as consistent as the workings of the solar system, faces what looks like one of the toughest oponents of his brilliant career tonight when he fights Chief Shoulder Blade, 230-pound Oklahoma Indian, in the main event at Ontario Legion stadium.

Ring has met and defeated the cream of Southern California's amateur heavyweight crop, some of the tougher ones like James Lee, more than once. Veteran fistic observers rate him one of the finest boxing prospects ever uncovered in California and he is waiting only the additional 10 or 15 pounds which another year or two will bring before hitting the professional trail.

Prefers Sentence Of 55 Days Jail To Fine of $110

Preferring 55 days in jail to paying a fine of $110 for driving without an operator's license, Norman Sobelman, 29, 646 North Comming street, Los Angeles, is today starting on a month-and-a-half sentence in Upland jail. He appeared in Judge Fred Jacob's justice court yesterday. The arrest of the Los Angeles man was the outgrowth of a traffic citation several months ago, at which time he was warned to obtain an operator's license and to report to the court when he obtained one.

SOAP BOX DERBY WON BY DETMERS

Uplander Going to Akron by Air for National Event August 7

(Continued from Page One)

final heat the Upland racer finished a length ahead of his nearest rival.

All of the trophies and awards won by the Uplander will be on display at the Alan A. Couch agency. Owen Davis, manager of the local Chevrolet headquarters, cooperated fully with Detmers, Wilson and Lawrence Yatsu, all three Uplanders being entered. Yatsu was eliminated in the preliminary races.

PRAISES COUCH

The southland winner today highly praised Mr. Davis and the other employes of the local Chevrolet agency for their cooperation, their encouragement and enthusiasm on his behalf.

Attending the race Saturday with unusual interest were Detmers' parents and other relatives, the group including Mr. and Mrs. Detmers, Donald, Doris and Patty Detmers, Mrs. Ernest Tweed Stone and her son, Harvey Stone, Miss Mary Keller, all of Upland, and Clarence Mortimer, Chino.

Ralph J. Wilson and Francis Wilson were at the race to cheer for their son and brother, Ralph J. Wilson, Jr.

REBUILDS STEERING

Unable to put into words the thrill he has enjoyed ever since finishing first in the race, young Detmers today is very thankful he spent most of Friday night in remaking the steering gear of his sleek looking, streamlined racing car.

"My dad had told me that if 'I steer straight I would win'," explained the young champion with a beaming smile lighting up his face, his leg resting across the bright red deluxe-equipped bicycle. "In the Thursday preliminaries he noticed that every so often the racer would weave in and out just a trifle. He figured that was enough to slow it up. So I worked most of Friday and into the night to put on a new steering device."

In the crucial races Saturday, Detmers steered "straight".

"I really don't know how it happened," continued the modest, unassuming, but very happy 15-year-old Chaffey sophomore. "Heat after heat, I was ahead. I am surely glad I fixed it up and steered like my dad said."

TENNIS TOURNEY OPEN TO UPLAND

Urgent Call Made To Townsend Club By President Hook

An urgent call for a full attendance of the membership at the meeting of the Upland Townsend club to be held this evening is made by Orin Hook, the club president.

There is important business to be given attention, Mr. Hook states, and it is very necessary that all members attend.

Several members of the local club went to Orange county park Saturday and attended the picnic held by clubs in the Nineteenth congressional district, which includes San Bernardino, Riverside and Orange counties. They report approximately 3000 persons were in attendance.

In the local group were James A. Dinger, H. R. Ludwig, Al Stutzman, Mr. Mauch and Mr. and Mrs. E. C. Chapman.

COUNTY DEFENSE LAW IS ADOPTED

Vital Spots Will Be Posted Against Trespassing—Defense Group Name

Persons who loiter about strategic places such as power line substations, water wells and reservoirs will be detained on suspicion of sabotage as the result of a new ordinance adopted yesterday by the county board of supervisors.

Places that are vital in the southland defense program will be posted with trespassers to be subject to arrest. Other southland counties have adopted a similar ordinance and the enactment is part of the preparations in case of emergencies.

Personnel of an advisory defense committee was announced, it having been selected by the county farm bureau defense committee. On the advisory defense committee from this district are James G. Galanis, representing the American Legion, and Gardiner W. Spring, representing educators.

This committee may be enlarged to include representatives of other groups, according to C. E. Grier, chairman of the county board of supervisors.

Lees Move Store, Change Residence

Moving is becoming a habit with J. F. Lee. On July 15 he moved his second hand furniture store from the west side of Second avenue to the east side.

Just recently, the house Mr. and Mrs. Lee and Evelyn Francis and Don were occupying on Palm avenue was sold, and the family had to move furniture again—this time their household possessions. The Lees are now living at 508 West street. They lived for seven years in their former location.

FLOWERS FOR THE BRIDE

Every bride wants her wedding to be glamorous. A pageant in which she is the dominant figure, and this is certainly her prerogative. Also flowers for church or home decorations. Estimates without obligation.

NEED FOR C. OF C. SECRETARY CITED

Chamber of Commerce President Tells Reasons for Increased Work

(Continued from Page One)

were made upon the chamber of commerce for similar information during the World War.

This part of the chamber of commerce program alone would justify full-time secretary during the coming year. Literally thousands of requests for information come into the chamber of commerce each year. They come from local residents that want help; they come from vistors who want to locate friends living in Upland, and they come from people who are just passing through the town and are struck with the beauty of the town and would like to live here.

If you have used the chamber of commerce in any way during the past year, you should be a member although the chamber of commerce is glad to serve you even though you are not a member. If the chamber of commerce is to take care of your needs completely, you and at least 500 other people should join.

Lionettes Win 6-1, And Enter League Play-off Series Soon

By virtue of their win over the Hanawalt team of Pomona, the Ontario Lionettes will enter the play-offs of the Girls' Softball league, to be started soon. The teams finishing in the first four places will meet in a round robin play-off to determine the champions. The Pomona game was played in that city Monday night, the Lionettes winning by a 6-1 score. The teams were tied in league standing, and the winning team entered the play-offs.

Ontario General Electric entry in the National Softball league will journey to Santa Ana tonight for a league game with the representatives of that city. **Friday night they** will play **Orange at the** Fourth Street park **to wind up** this round of play.
